Vehicle body color might differ slightly from the printed photos in this catalog.

Addition of extra features may change figures in this chart.

Please inquire at your local dealer for details of any such changes that might be required for your area. Note: Vehicles pictured and specifications detailed in this catalog may vary from models and equipment available in your area. Specifications are also subject to change to suit local conditions and requirements.
A New Era for Pickup.
Every Inch a Hilux.
Sophisticated and sporty, the design builds anticipation of confident and exhilarating driving.

Combination meters: The easy-to-read meters and a 4.2-inch color TFT (Thin Film Transistor) multi-information display provide the driver with vital vehicle information at a glance. An Eco Driving Indicator supports eco driving.

Steering wheel switches: The 4-direction switch integrated in the steering wheel makes it easy to adjust the multi-information display among other functions.

Audio system: The large display enables touch operation. The USB/mini-jack enables a portable music player to be enjoyed over the vehicle's speakers.

Smart Entry & Start System: When carrying the Electronic Key, you can lock/unlock the doors and start/stop the engine.*

* The mechanical key is built into the Electronic Key. Electronic Key caution: Radio waves may affect electric medical devices. Individuals with devices including cardiac pacemaker implants should keep them from coming close to the Smart Entry & Start System antennas. The transmission of radio waves can be disabled. Please inquire at your local dealer for details.

Note: Please inquire at your local dealer for details on the availability of features.
Spacious and inviting, the refined comfort and smart functionality of the cabin enrich the quality of life of all occupants.

Front cupholders: Can also be used for storing small items.

Upper box: This convenient box features integrated air conditioning vents to keep drinks stored inside cool or warm.

Assist grips: Strategically positioned assist grips make getting in and out of the spacious cabin easy.

Air conditioner: Combines powerful performance with energy-efficient operation. Independent vents in the rear seat cushions tip up to accommodate a range of passenger and load combinations, and access to two storage spaces under the seats for valuables and small items.

Rear seats: The 60/40 split seat cushions tip up to accommodate a range of passenger and load combinations, and access to two storage spaces under the seats for valuables and small items. The wide center armrest has two integrated cupholders.

Note: Please inquire at your local dealer for details on the availability of features.
Leap a step ahead.

Inject a bold presence into everything you do.

Engage extra versatility. Strike a balance for moving people and gear.
A gasoline engine with Dual VVT-i (Variable Valve Timing-intelligent) delivers increased torque and output, excellent fuel economy and reduced emissions.

- **1GR-FE**
  - 4.0-liter Gasoline
  - 175kW/5200rpm
  - 376Nm/3800rpm

- **1TR-FE**
  - 2.0-liter Gasoline
  - 102kW/5600rpm
  - 183Nm/4000rpm

- **2TR-FE**
  - 2.7-liter Gasoline
  - 122kW/5200rpm
  - 245Nm/4000rpm

Tackle the rough, relish the smooth. Powerful performance generates an exciting advantage.

---

**Note:** Please inquire at your local dealer for details on the availability of features.
Suspension:
The front and rear suspension is optimized to provide excellent stability and control.

Frame structure:
Large cross members and strengthened side rails on the high rigidity frame contribute to excellent durability and handling performance, a quiet smooth ride and reassuring feeling of safety.

Hill-start Assist Control: Helps to prevent the vehicle from rolling backward when starting on a steep or slippery incline.*

High-tensile steel sheeting: Contributes to the light body weight. Reinforcements to the joint structure, including the extensive use of spot welding, also enhance body rigidity.

Anti-corrosion steel sheeting: The extensive use of anti-corrosion steel sheeting for the body and deck contributes to long-lasting durability and strength, even in harsh conditions.

Noise-absorbing, noise-insulating and vibration-damping materials: The strategic placement of these materials, including the floor and engine compartment, contributes to the quiet ride.

A-TRC: Activates the moment the risk of wheelspin is detected to help enhance the ability to grip the road and maintain traction, especially when starting off or accelerating on uneven or slippery surfaces.*

Part-time transfer: Highlighting driver-friendly operation, you can switch between 2WD and 4WD by simply turning the dial switch, even while moving.

The toughness to tackle any task. Challenge all terrains with a new level of durability and driving comfort.

* The system may not operate properly depending on road conditions or other factors. Be sure to read the Owner's Manual carefully.
Comprehensive active and passive safety measures. Advanced safety technologies deepen peace of mind.

**SRS** curtain shield airbags (Front and rear seats).* 1

The Hilux is equipped with SRS driver ( Driver’s seat), SRS side airbags (Front seats) and airbag, SRS front passenger airbag, SRS knee airbag.

*1 The SRS (Supplemental Restraint System) airbags are supplemental devices to be used with the seatbelts. The driver is required to wear a seatbelt at all times and all occupants must be seated in the seat. The SRS airbags are designed to supplement the seatbelts. The use of accessories including child seats which cover parts of the SRS side airbags is not recommended. The use of rear-facing CRS (Child Restraint System) on the front passenger’s seat is not recommended. For a forward-facing CRS, it is recommended you find out about availability in your area, please inquire at your local dealer. The photo shows all the SRS airbags. Please refer to the Owner’s Manual carefully.

**ISOFIX**-compliant child seat on the outboard rear seats.

Enables the fixing of an ISOFIX-compliant child seat on the outboard rear seats. Please do not use accessories for the seats which cover the parts where the SRS side airbags are located.

**Clearance Sonar:** A total of 6 sonars detects stationary object near the front and rear bumpers and alert the driver to take care.

**VSC:** Vehicle Stability Control. Note: Please inquire at your local dealer for details on the availability of features.

**Drive-start Control:** If an abnormal shift (R->D, D->N, N->R, P->D, P->R) is detected while accelerating, a warning is displayed in the meter display and engine output is reduced to limit the acceleration, helping to avoid a collision.

**ELR:** Electronic Limited Slip Differential.

ELR helps prevent front or rear wheel slip while centering by reducing engine power and applying brake force to the wheels that require it.**

**Clearance Sonar:** A total of 6 sonars detects stationary object near the front and rear bumpers and alert the driver to take care.

**Drive-start Control:** If an abnormal shift (R->D, D->N, N->R, P->D, P->R) is detected while accelerating, a warning is displayed in the meter display and engine output is reduced to limit the acceleration, helping to avoid a collision.
