PURE SPORTS, PURE PASSION

Powered by a straight six front engine and smooth rear-wheel drive, the Supra has always been the ultimate Toyota sports car, ever since its inception in 1978.

Now, the newly born fifth-generation Supra has finally arrived, carrying a brand new passion. Thorough investigation of the wheelbase, tread, and center of gravity means that this evolution has even better handling, and the beautiful, sensual body silhouette coexists with the functionality of a sports car. Take a trip in the Supra, a sports car in its purest form, and feel the thrill of driving to your heart's content.

MAN AND SUPRA, TOGETHER AS ONE

KNOW EVERY ROAD

THERE' S NO HOLDING BACK

TAKE IT ALL IN

FORGE YOUR OWN STORY

Fire up your passion for driving with a design that has proven functionality and provides a distinctly contoured interior. Your own story starts here.

PADDLE SHIFTERS

The leather-wrapped steering wheel is equipped with paddle shifters.

TRANSMISSION

The latest 8-speed torque converter automatic transmission allows you to drive exactly the way you want.

METER

The single meter comes with high-definition 8.8-inch color monitor.

ACCELERATOR PEDAL

An organ-type accelerator pedal enables smooth and accurate operation.
